### What Your Parents Taught You

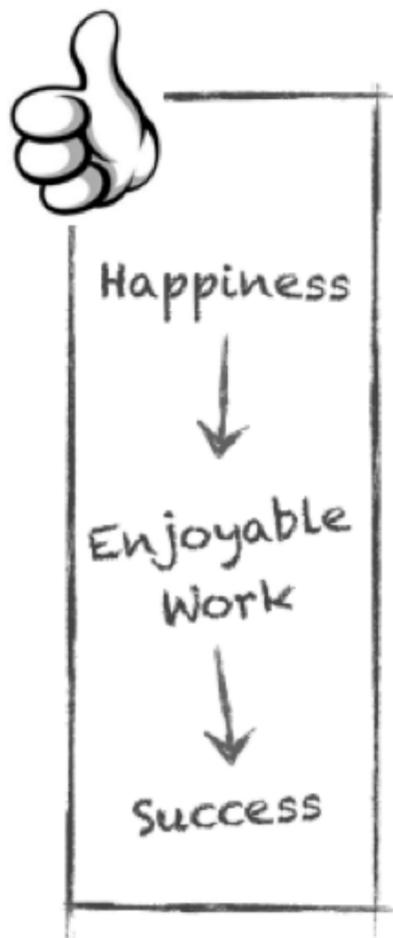

$$\text{Success} = \sum_{\text{Long Time}} \frac{\text{Skills \& Talents} \times \text{Hard Work}}{\text{Happiness}}$$

As measured in Wealth & Power

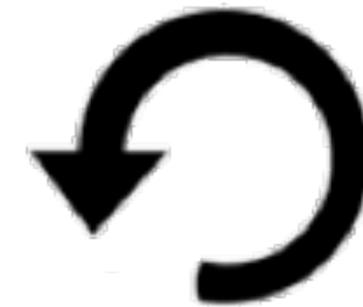

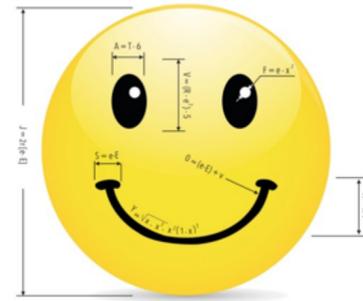

### What They Should Have Taught You

$$\text{Happiness} = \sum_{\text{All The Time}} \frac{\text{Your Natural Talents} \times \text{Enjoyable Work}}{\text{Success}}$$
